Module 2 Study Guide

Saving Like a Superhero

This guide covers every lesson of the module, using only words and figures from the lessons themselves. Work through it after watching the lessons, then use the checklist at the end to test yourself.

Lesson 1: Set a Goal, Save the Day

In this lesson: Pick a goal; Draw your picture; Save your coins.

Key points

- Pick a clear goal
- Draw your goal on paper
- Look at your picture every day

Examples from the lesson

- But when you have a big picture in your mind, every single coin you save brings you one step closer to your dream.

Hero mission (try it with a parent)

Sit down with your mom, dad, or helper tonight. Pick one cool thing you want to save for together. Draw a big picture of it with your favorite colors and stick it on your door!

Lesson 2: The Piggy Bank Power-Up

In this lesson: Meet Your Savings Jar; The Golden Hero Rule; Start Your Power Station.

Key points

- A savings jar keeps your money safe
- Saving a little bit often is a super power
- Small habits lead to big adventures

Examples from the lesson

- Saving one coin every week gives your piggy bank super strength over time.

Hero mission (try it with a parent)

Today, ask a parent or grown-up to help you find an empty jar or box. Decorate it with bright paper, stickers, or hero drawings. This is your brand new Piggy Bank Power Station. Put your very first coin inside today and listen to that happy clink! See you next time, super saver!

Lesson 3: Patience, Hero!

In this lesson: Learn patience; See savings grow; Do tiny mission.

Key points

- Waiting makes savings stronger
- Skipping small treats helps big goals
- One coin saved today builds hero power

Examples from the lesson

- Imagine you have five shiny coins in your pocket.
- You see a tasty doubles wrap that costs one coin.
- If you eat it now, you will have four coins left.
- Let’s pretend you want a superhero cape that costs ten coins.
- If you buy the doubles now, you will need six more coins later.
- If you skip the doubles today and keep your five coins, you only need five more coins to get the cape.
- You have saved five coins instead of spending one on doubles and one on a ride.

Hero mission (try it with a parent)

Ask a parent to help you put one coin in your piggy bank today instead of buying a snack. You did it!
