Financial Literacy for Kids

Module 5 Study Guide

Growing & Sharing Money

This guide covers every lesson of the module, using only words and figures from the lessons themselves. Work through it after watching the lessons, then use the checklist at the end to test yourself.

Lesson 1: Money Seeds: How Savings Grow

In this lesson: What is interest?; How money grows; How to start saving.

Key points

- A coin can grow with interest
- Bank adds a little extra each time
- Saving a little often makes big growth

Examples from the lesson

- “Interest is like a tiny leaf on the plant,” I explained as we watched the safe box glow. Soon the coin turned into two coins! “My money grew like a seedling,” I cheered, and we clapped.
- “Put one coin inside today,” you will say, and then watch it grow as you add more.

Hero mission (try it with a parent)

With a parent, find a small jar, put one coin in it, and mark the date. Add another coin next week and see how your Money Seed begins to sprout!

Lesson 2: Earn by Helping

In this lesson: Ways kids can help; Doing a good job; Your first earned money.

Key points

- You can earn money by helping others
- Doing good work makes people happy to pay
- Small kid jobs can earn real money

Examples from the lesson

- This lesson teaches its ideas through the story — see the key points above.

Hero mission (try it with a parent)

Today, ask your mom or dad about one small job you can do around the house this week. Maybe you can sweep the kitchen or water the colorful flowers. Do it with your best effort, and talk with your parents about how helping others can turn into earning!

Lesson 3: Sharing Is a Superpower

In this lesson: See the market adventure; Meet friends who share; Try your own sharing missio

Key points

- Friends share snacks together
- Hands give crayons or coins
- Heart feels warm after giving

Examples from the lesson

- The hero guide showed us to split a chocolate bar, giving half to a new friend and keeping half for ourselves.

Hero mission (try it with a parent)

ask a parent to help you choose one small thing you can share today—maybe a snack, a drawing, or a kind word—and give it to someone who needs it. Feel the joy of giving and remember, sharing makes you a true money hero!

Recap checklist — can you say each one?

Lesson 1: Money Seeds: How Savings Grow

- ☐ A coin can grow with interest
- ☐ Bank adds a little extra each time
- ☐ Saving a little often makes big growth

Lesson 2: Earn by Helping

- ☐ You can earn money by helping others
- ☐ Doing good work makes people happy to pay
- ☐ Small kid jobs can earn real money

Lesson 3: Sharing Is a Superpower

- ☐ Friends share snacks together
- ☐ Hands give crayons or coins
- ☐ Heart feels warm after giving
